OFFICE OF
the Chief Inspector of Mines
Explosives in Mysore. Oorgaum,
Date 9th November 1949.

To

The General Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

The Mysore Cinematograph Films Rules, 1949

I have the honour to state that the above Rules, relating to th storage and transport of films having a nitro-cellulose base, were brought into force in Government Notification No D 1604-Geo 48-4 dated, Bangalore, 3rd September 1949 and were published in the Myso Gazette dated October 6, 1949 Under these Rules the film distrib in the State have to take out licenses for storage and distribution the District Magistrate in cases where the quantity of films does n exceed 200 lbs and from the Chief Inspector of Mines & Explosive Mysore in all other cases

Prior to the coming into force of the above Rules, the Banga City Municipality had framed certain bye-laws under Section 51(1) (1 (vii) and Section 181 of the City Municipalities Act, 1933 for regulating the storing of films by the Exhibitors and distributors in Bangalore City and these bye-laws were approved by Government in the Order No L 6258-61/M1 86-39-184 dated 20th February 1941 and were brought into force from 1st May 1941 Under these bye-laws the Municipality has already issued licenses for the storage of films for year 1949-50, these licenses being valid up to 1st July 1950

It is thus seen that there are two sets of Rules at present in force regarding the storage of films It appears to be necessary therefore, in order to avoid possible legal complications, to issue a notification cancelling the Municipal Bye-laws in so far as they pert to the regulation and storing of Cinematograph Films

I request that Government may be pleased to take early action :

FROM

The Secretary to the Government of Mysore,
~~*His Highness the Maharaja of Mysore*~~
L.S G.Department, Bangalore.

To

The Commissioner,
Corporation of the City of Bangalore,
(through the Mayor)

SIR,

SUBJECT The Mysore Cinematograph Films Rules-1949.
Cancellation of Municipal Bye-laws.

I am directed to state that with the introduction of the Mysore Cinematograph Rules, 1949, relating to the storage and transport of films having a nitrocellulose base in Government Notification No.D. 1604-GEO 48-48-4 dated 3rd September 1949, the continuance of the Municipal Bye-laws regulating the storing of films by the Exhibitors and Distributors in force in Bangalore City is considered to give room to legal complications. Since the licenses now issued by the Bangalore City Municipality in this behalf will expire on 1st July 1950, instructions have been issued to the Chief Inspector of Mines and Explosives in Mysore, that the Mysore Cinematograph Rules for the issue of licenses in respect of Bangalore City may be brought int effect as from that date viz., 1st July 1950.

In order to avoid possible legal complications by the existence of two sets of rules on the same subject, I am to request you to kindly ~~xx~~ advise the Corporation to take action for cancelling the Municipal Bye-laws regulating the storing of films approved in Government Order No.L.6250-61/111.86-39-164 dated 20th February 1941, and to stop the issue or renewal of licenses on the Municipal side with effect from 1st July 1950, giving wide publicity to this change of procedure.

Yours faithfully,
Sd L MUNISWAMY
Secretary to Government,
